Re: Litton Systems, Inc., Instruments & Life Support Division
Docket No. VII-92-H-0014

Dear Mr. Mitchell:

Pursuant to the terms of the Consent Agreement and Consent Order entered into with EPA, Litton Systems, Inc., Instruments & Life Support Division (ILSD), has timely completed the closure activities outlined in its EPA-approved closure plan and submitted a professional engineer's certification of closure to EPA. ILSD is currently awaiting EPA approval of its closure activities.

Please do not hesitate to call me at 703/413-3918 if you have any questions on this matter.

Sincerely,

Jill M. Palmer
Environmental Affairs Counsel
